

USER GUIDE: HOW TO DOWNLOAD YOUR SHAREHOLDER STATEMENTS FROM THE INDUSTRY PORTAL

1. To start off the process, you will need to log into the Zespri Canopy website. The website address is <https://canopy.zespri.com>
2. Once you have logged into the Zespri Canopy website, below the 'Welcome to Canopy' image, you will see 'My Quicklinks'. Click on this and then select 'Industry Portal'. If you do not have the Industry Portal set up as a Quicklink, you are able to search 'Industry Portal' in the search bar above.

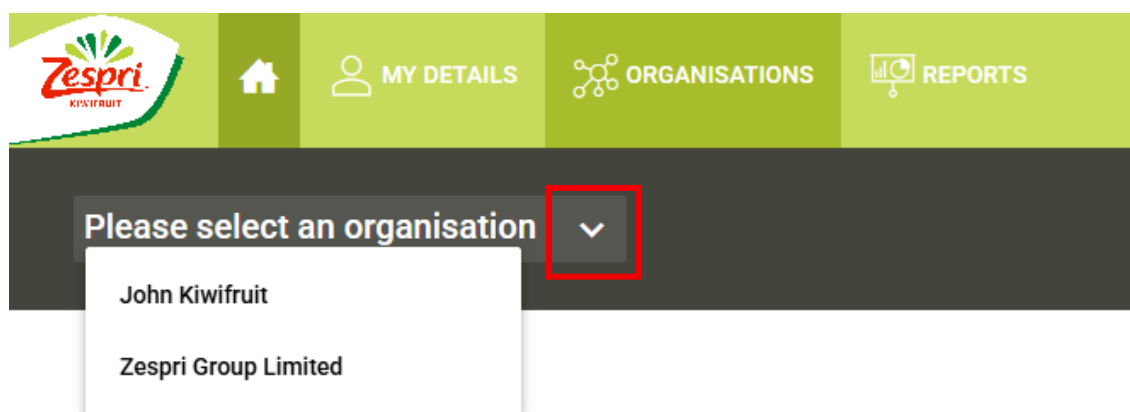

Note: The Industry Portal is a separate site from the Canopy website, but it is accessible to you under your Canopy login. You will be automatically redirected once you click on the 'Industry Portal' button. Once you're in the Industry Portal website, the below homepage should be displayed.

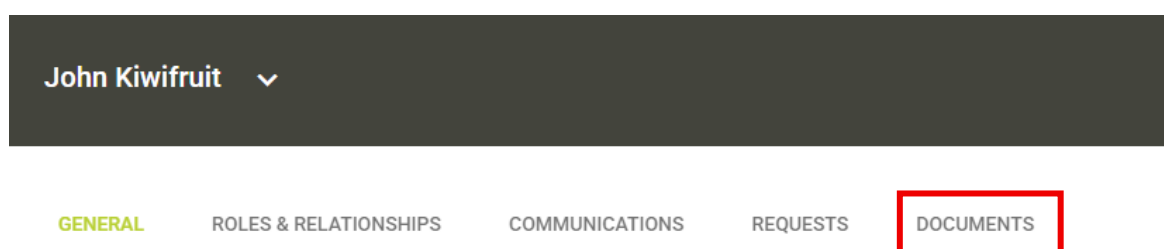

3. On the Industry Portal homepage, you will see several icons to choose from, including organisation. Click the icon

4. Select the entity you want to download the shareholder statement for by clicking on the arrow and selecting the entity from the list. If you only have one entity you can ignore this step.

5. Select the documents tab on the right hand side.

6. Click on the download button next to the shareholder statement you need.
