

New Zealand Kiwifruit Innovation Award 2024

In 2015 on his retirement as Chairman of Kiwifruit New Zealand, Sir Brian Elwood presented a trophy and a proposal to set up a New Zealand Kiwifruit Industry Innovation award. The award is being launched this year and we are now inviting nominations.

The nomination period is open to Friday 26 July 2024. The nominee must be an individual, not a team, and their contribution will involve an initiative undertaken within the last two years that solves a problem or creates added value for the industry. The award is open to anyone directly or indirectly connected to our industry, such as growers, and people involved in orchard management, post-harvest, research and Zespri. Nominations will be considered by a panel made up of the Chairpersons of Zespri, KNZ and NZKGI.

Please submit the nomination form to corporate.communications@zespri.com.
